The Savannah River Section of the American Chemical Society will be giving a $500 travel grant to an undergraduate student attending an ACS Conference/Meeting by the deadline October 1, 2018.

Winners will be chosen based on the information provided and will be given $500 after attending an ACS Conference/Meeting. Preference will be given to student presenters.

Undergraduate students interested in applying must fill out the form below.

Applicant’s Name: ___________________________ E-mail: ___________________________

School Attending: ___________________________

Degree Seeking: ___________________________ Year during conference: ___________________________

Expected Graduation Date: ___________________________

Meeting Attending: ___________________________ Dates: ___________________________

Advising Professor: ___________________________ Email: ___________________________

Conference Role: ___________________________  Select ___________________________

Abstract Title (if presenting):

State the reason for attending as well as what you hope to gain by attending the meeting:

Are you an ACS member?  Select ___________________________

Have you been active in or attended events sponsored by the ACS-SR?  Select ___________________________

Have you received any other travel grants for this meeting’s attendance?  Select ___________________________

Have you previously attended an ACS meeting?  Select ___________________________

Next Deadline: October 1, 2018

Please e-mail applications to ACSSavannahRiver@gmail.com.

Contact Ashlee R. Swindle with additional questions.

**Upcoming ACS Meetings**

**GC3 Innovators Roundtable**
Kingsport, TN  
May 8 – 10, 2018

**Engineering Education for Sustainable Development Conference**
Glassboro, NJ  
June 3 – 6, 2018

**22nd Green Chemistry & Engineering Conference**
Portland, OR  
June 18- 20, 2018
Register before April 30th for early bird discounts

**25th Biennial Conference on Chemical Education**
University of Notre Dame, South Bend, IN  
July 29 – August 2, 2018

**256th ACS National Meeting & Expo: Nanoscience, Nanotechnology & Beyond**
Boston, MA  
August 19 – 23, 2018
Registration opens May 21, 2018

**8th IUPAC International Conference on Green Chemistry**
Bangkok, Thailand  
September 9 – 14, 2018

**257th National Meeting & Exposition: Chemistry for New Frontiers**
Orlando, FL  
March 31 – April 4, 2019

**23rd Annual Green Chemistry & Engineering Conference & 9th International Conference on Green and Sustainable Chemistry**
Reston, VA  
June 11 – 13, 2019

**258th National Meeting & Exposition: Chemistry of Water**
San Diego, CA  
August 25-29, 2019
